

**GOVERNMENT OF ANDHRA PRADESH
ABSTRACT**

Energy Department – Creation of 36 additional posts in Engineering Wing (Electrical and Telecom) in Transmission Corporation of Andhra Pradesh duly suppression of 36 other lower vacant posts – Orders – Issued.

FINANCE (SMPC) DEPARTMENT

G.O.Ms.No. 35

Dated:04.02.2009.

Read the following:-

1. From the CMD, APTRANSCO Lr.No. Addl. Secy./ ADE (MPP)/A1/1830 / 2007, Dt.11.02.2008.
2. From the CMD, APTRANSCO Lr.No. Addl. Secy./ ADE (MPP)/A1/597 / 2008-2, Dt.18.09.2008.
3. Energy (Ser.) Department, U.O. No. 1101/Ser/2008, Dt. 23.01.2009.

oOo

O R D E R:

The Energy Department have stated that in the references 1st and 2nd read above, the Chairman & Managing Director, Transmission Corporation of Andhra Pradesh (APTRANSCO) has submitted proposals for creation of 36 posts in Engineering Wing (Electrical & Telecom) for new 400 KV Sub Stations at Gajwel and Dichpally and strengthening of Telecom Engineering wing to meet the work load.

2. The Chairman and Managing Director, APTRANSCO in the reference 1st read above has stated that the APTRANSCO is transmitting power throughout the state of A.P. at the extra high voltage levels of 132 KV, 220 KV, 400 KV. Every year new service connections are being released in various categories and power to be transmitted is increasing which is a continuous process. Thus construction of additional substations and Transmission Lines is felt necessary to meet the system demand from time to time and for transmission of quality power. Accordingly, the erection of 400 KV substations at Dichpally and Gajwel is essentially required under system improvement scheme to meet the additional and increasing load demand in Nizamabad and Medak districts respectively to improve voltage profile, better reliability & security and with reduced Transmission losses of about 62 Megawatts.

3. The Chairman and Managing Director, APTRANSCO in the reference 2nd read above has stated that the APTRANSCO is engaged with the transmission of Electricity throughout the State of A.P., There is continuous increase of power to be transmitted and thus maintenance of connected Telecommunication network in Substations and Lines is felt necessary for transmission of quality power. The exiting Telecom setup was sanctioned before 1994 and later, no additional posts were added to the cadre strength of Telecom Engineering wing commensurate with the workload. He has further stated that strengthening of Telecom Engineering branch in APTRANSCO is required due to commissioning of the following major Telecom Projects.

- PLCC / OFC network to the 400/ 220/ 132 KV system.
- Satellite Communication System. (VSAT).
- Unified Load Dispatch and communication project / system.
- Broad band telecom network.
- Digital Micro wave links.
- Boundary metering date up – loading to EBC.
- ERP Networking.

(P.T.O)

4 Government after careful examination of the proposal hereby accord sanction for creation of the following posts in Engineering Wing (Electrical and Telecom) duly suppressing 36 other vacant posts in APTRANSCO.

Sl. No	Designation	Scale of Pay	No
1	Superintending Engineer (Telecom)	19945 – 29420	01
2	Divisional Engineer (Telecom)	18405 – 27510	05
3	Assistant Divisional Engineer (Elec.)	16395 – 24835	10
4	Assistant Divisional Engineer (Telecom)	16395 – 24835	10
5	Assistant Engineer / AAE (Elec.)	16395 – 24835	10
Total			36

5. The expenditure on account of creation of above posts shall be borne by the APTRANSCO.

6. The following posts were to suppressed in Transmission Corporation of Andhra Pradesh consequent on creation of posts mentioned in para 4 above.

Sl. No	Name of the post to be suppressed in Telecom wing	No. of posts.
1	Instrumental Mechanic	2
2	Draughtsman Gr – II	1
3	Tracer	4
4	Gunmen	23
5	Assistant Engineer / Additional Assistant Engineer	6
Total		36

7. The Energy Department shall take further necessary action accordingly.

8. Copy of this order is available on Internet and can be accessed at address "<http://www.ap.gov.in/goir>".

(BY ORDER AND IN THE NAME OF THE GOVERNOR OF ANDHRA PRADESH)

Dr. N. RAMESH KUMAR
PRINCIPAL SECRETARY TO GOVERNMENT (R&E)

To

The Energy (Ser.) Department.

The Managing Director, Andhra Pradesh Transmission Corporation, Hyderabad.

The A.G., (A&E)/Pr. A.G.(Audit-I)/A.G.(Audit-II), A.P., Hyderabad.
